

2018

new manufacturing 2018 Yearbook - industry 4.0 digital technologies and techniques for efficient and agile design, production and innovation

PARTNERED BY:
WVG Engineering
THE UNIVERSITY OF WARWICK

We need copy of around 700-750 words (to include a headline and 10-15 word standfirst) plus 4-5 high-res images and captions, a high-res logo and your url. 📄

New Manufacturing 2019 Yearbook

Double page spread editorial entry £595
(SAVE! - book by 23rd November and the entry rate is £395)

Published January 2019

Each entry consists of a double page spread and offers a great platform to express your company's message to the market.

The standard rate card for the double page editorial entry is £595 (but you can get the special early booking rate of £395 if you reserve your entry before 23rd November 2018). For an additional £195, a New Manufacturing journalist will write your company's entry on your behalf if required.

The rate includes not only your entry in the print Yearbook, but also in the digital edition, which will be hosted on the new design website throughout 2019.

We will also provide pdfs of the spread and a link that opens the digital edition at your entry and is perfect for social media tie-in.

To secure your place in the New Manufacturing 2019 Yearbook please complete the form and we will get back with deadlines etc.
